Cancer screenings that come to you

Understand your cancer risk and get the preventive cancer screenings you need — at no cost to you.

To claim your benefit,
scan the QR code or visit
color.com/mattel

This benefit is available to all full-time employees and their adult dependents at no cost enrolled in a Mattel medical plan.

Here's what you get when you activate your benefit — completely covered by Mattel:

- 1 At-home cancer screenings**
for cervical, colon, and prostate cancers
- 2 Help scheduling & coordinating**
in-person screenings like colonoscopies and mammograms or finding and scheduling with specialists
- 3 Personalized support**
and guidance from a team of oncologists and cancer experts you can contact at any time and count on to answer your questions
