

Pharmacy care designed around you.

Express Scripts®, a part of Evernorth Health Services, supports your plan by helping you get the medications you need at the lowest possible cost. We deliver trusted pharmacy benefit services focused on affordability, access, and support—without changing the care you receive.

1 Your Plan Sponsor

Your employer or health plan provides your prescription coverage and benefits

2 Your Prescriber

Your prescriber helps determine the medications that support your care

3 Your Pharmacy Benefits

THAT'S US!

**Express Scripts®
Pharmacy Benefit Services**

We help you manage your pharmacy benefits and coverage – guiding safe, effective choices and helping you find ways to save

4 Your Pharmacy

*Fill your prescription at a pharmacy covered by your plan – at a local pharmacy or through home delivery**

5 Help When You Need It

We continue to support you with reminders, tools, and guidance to help you manage your medications

There's a whole team behind every prescription.
Here's how we fit in.
