Important Notes			
Deductible is determined as of the date(s) claims are processed by Independent Health, not the date services were rendered.			
Embedded: On a single policy, the single deductible/out-of-pocket max must be met before Independent Health provides reimbursement for covered in-network or out-of-network services. On a family policy, once a family member meets the single deductible/out-of-pocket max, the deductible/out-of-pocket max is satisfied for that member. However, additional family members must satisfy the remainder of the family deductible/out-of-pocket max before Independent Health provides reimbursement for covered in-network or out-of-network services.			
Non-Embedded (True Family): On a single policy, the single deductible/out-of-pocket max must be met before Independent Health provides reimbursement for covered in-network or out-of-network services. On a family policy, the entire family deductible/out-of-pocket max must be met before Independent Health provides reimbursement for covered in-network or out-of-network services. An individual on a family policy will NOT stop at the single deductible/out-of-pocket max.			
Out-of-Network (if applicable): Member is responsible for the difference between Independent Health's allowed amount and the non-participating provider's billed amount.			
PCP requirement is based on benefit plan type: POS Plan Type = PCP Required or PPO Plan Type = PCP Optional			
Member Pre-Authorization: Certain services and benefits are subject to member pre-authorization. Member is responsible for contacting Independent Health for pre-authorization.			
Child (if applicable): Cost-share applies if member is under the age of 19.			
This benefit summary is designed to highlight the benefits of the plan and DOES NOT detail all benefits, limitations, and exclusions. It is not a contract and may be subject to change. For more detailed information, consult your Contract, attached Riders (if any), or Certificate of Coverage.			
All indicated benefits assume the member has appropriate authorization to receive services.			
Certain benefits stated in this benefit summary may be pending NYS approval
